Re: PSCW Docket 137-CE-139: ATC's North Madison to Huiskamp Transmission Project

Judge Marion,

I'm filing as a concerned citizen and requesting full party status in the above-captioned matter. As a ratepayer, I question the effectiveness of the American Transmission Company's proposed transmission projects in Dane County.

I am requesting full party status in the above titled matter so as to assert my interest in the issues of the case. It would be most appropriate for the PSCW to deem this application incomplete, since the ATC has failed to respond to all of the PSCW information requests including information on the effects of conservation and renewables, and because the ATAC has failed to provide credible justification of need, among other things.

All ratepayers will be affected by the PSCW decision regarding the ATC's North Madison to Huiskamp Transmission Project. My interests will not be adequately represented by other parties. Please direct all correspondence on this matter to:

Thank you for your attention to this request.

Sincerely,

Mark and Linda Stewart
